*The WBMA Educational Link Scholarship Fund was established by the members of Western Building Material Association for the purpose of assisting in providing higher education opportunities for children of members' employees, and the employees themselves. The Link Fund is in its 29th year and recently awarded five \$4,000 scholarships to the above recipients. Scholarship amounts are determined by the interest income generated from the fund each year. This perpetual fund can help see that these individuals develop into solid leaders of tomorrow by affording them the opportunity for higher education. The Link Fund receives its growth from the raffle held during WBMA's Annual Convention and other company contributions received throughout the year. The Link Fund has also grown through memorials as industry members remember their colleagues and loved ones. Your contribution qualifies as tax deductible to the non-profit WBMA Link Scholarship Fund, incorporated in the State of Washington. Contributions can be sent to the WBMA office at PO Box 1699 - Olympia, Washington, 98507.*
